

WaterPro 12421 S 800 E, Draper, UT 84020 **updated 8/2/21**

A copy of the test needs to be sent to our office. Even newly installed units need to be tested.

The following is a partial list of State Certified Backflow Technicians from the southern part of the Salt Lake Valley. The list is not an endorsement by WaterPro as to their qualifications, but is provided for reference only. Any Grade 2 or Grade 3 backflow technician certified by the Utah Division of Drinking Water may provide service for the required testing of backflow prevention assemblies. A complete listing of certified backflow technicians may be obtained by calling the Utah Division of Drinking Water at 801-536-4200, or visit their website at drinkingwater.utah.gov.
